DETAILED ACTION

Examiner's Comment

1. In the previous action, there was a little bit of confusion as to what was rejected and what was not. The double patenting rejection included a rejection of claims 3 and 17, but then, claims 3 and 17 were indicated as containing allowable subject matter. Including claims 3 and 17 in the double patenting rejection was an error. Claims 3 and 17 should only have been listed as allowable.

Allowable Subject Matter

2. Claims 1, 2, 4-8, 10-13, 15, 16, 19, and 20 are allowed.
3. The reasons for allowance found in the office action mailed January 12, 2005 are equally applicable to the claims as they currently stand.
